

Communication

Smart Lender | Team Lead: Thoka murali

Team Communication Plan

Given the team's varying availability, communication for Smart Lender has been primarily coordinated between the Team Lead and the most active contributor.

Current Communication Status

Member	Role	Status
Venkat Rajarapu	memder	Actively driving the project end-to-end
	Team lead	Not yet contacted
	Member	Not yet contacted / confirmed
	Member	Not yet contacted / confirmed
	Member	Unavailable (no laptop access); not assigned active tasks

Communication Channels Used

- SkillWallet's built-in Kanban board for tracking story status (TODO/In Progress/Done).

Plan Going Forward

- Re-evaluate Thoka murali involvement once laptop access is resolved.
- Keep the Team Lead as the single point of coordination to avoid duplicated or missed tasks.
