

Team Involvement in Demonstration

Smart Lender | Team Lead: Thoka murali

Member	Role in Demo	Contribution Area
Thoka murali	Lead Presenter	Problem statement, architecture, live app walkthrough, conclusion
	Supporting Presenter	Pending confirmation
	Not yet involved	Pending confirmation
	Not yet involved	Pending confirmation
	Not involved (this cycle)	Unavailable - no laptop access

Team Roles in the Final Demonstration

Contribution Summary

Given current availability, the demonstration is primarily delivered by the supporting on the data analysis portions he was assigned (Download Dataset, Application Architecture, Import & Read Dataset, Univariate Analysis, Bivariate Analysis).

Acknowledgement

The team recognizes that full participation from all five members was not possible during this cycle due to availability constraints, and plans to involve in subsequent iterations once contact is established.
